Yes, we could have a technical/educational meeting, with Marty giving a presentation on his masters' degree project, the OR CZARA group on OR CZARA, you on Mid Snake TMDL reassessment and then discuss Bill's question.

Thanks, makes sense.

For the next meeting, Im curious if folks would be interested in a short (15 min) presentation on the Mid Snake TMDL re-assessment which was just completed by Tetra Tech?

WU,

I'm going to cancel the Unit Meeting today, as we are missing so many folks (Dave C, Martha, Jenny, Jill, Alan, Marty, Gail). I considered the possibility of rescheduling for next week, but a good portion of the unit is unavailable pretty much all the time next week.
See you in two weeks!
Laurie
